DTG and Sublimation you will not feel. DTG is good for around the 52 washes. Sublimation is dying the material so it will not fade or wear off.

CAD is a cut decal it is the one you likely where scratching while on the phone with me.

| Hrs/Qty | Service                                                                                                                               | Rate/Price | Adjust | Sub Total |
